

## **The merger of equals between La Capitale and SSQ Insurance is now official!**

Dear Partner,

I am excited and proud to announce that the merger of equals between La Capitale and SSQ Insurance is now official. Our new company is the largest insurance mutual in Canada, with more than 3.5 million members and clients. The head office will stay in Quebec City.

For now, you won't notice any change. Our new identity will be released in the fall, and the transition will be gradual. The same goes for La Capitale and SSQ Insurance members, clients and business partners. All current agreements will be honored as they were signed. You do not need to do anything.

If you work with La Capitale or SSQ Insurance, you will continue to work with the same entity, communicate with the same person, and follow the same procedures as usual. We will keep you informed of next steps.

If you have any questions, please reach out to your usual contact person. For more information on our merger and to learn more about our new leadership team, visit [www.thelargestmutual.ca](http://www.thelargestmutual.ca).

Our new company is the top group insurer in Quebec and the 4th in Canada. It ranks 3rd in Québec in general insurance and 13th in Canada. It becomes the 4th largest individual insurer in Québec and the 6th largest individual insurer in Canada. It also ranks 7th in Canada in segregated funds.

Building on our long tradition of cooperative enterprise, we become a new player with nationwide influence.

Thank you for putting your trust in us. This is a major endeavor we're very proud of, and we're excited to work on it with you.

Sincerely,

**Jean-François Chalifoux**  
**President and CEO**  
**La Capitale / SSQ Insurance**
